

CONFERENCE SPONSOR & EXHIBITOR OPPORTUNITIES

WELCOME!

We are delighted to invite you to be part of the 2027 ADCH Annual Conference, our flagship event bringing together organisations, professionals and practitioners from across the animal welfare sector.

Sponsoring or exhibiting at the conference is a fantastic opportunity to put your organisation in front of an engaged and influential audience, build valuable relationships and demonstrate your support for ADCH and the work of our members.

With delegates including budget-holders and key decision-makers, the conference offers excellent opportunities to raise your profile and make strong connections across the sector.

The ADCH Conference continues to grow in both reach and reputation. Last year's event sold out for delegates, sponsors and exhibitors, and we are delighted that many of our sponsors choose to return year after year, testament to the visibility, networking and engagement the event provides.

Our sponsorship packages offer a mix of in-person and digital opportunities, helping partners connect with delegates before, during and around the event. Packages start from £1,750 and are designed to increase visibility and build brand awareness, while also supporting ADCH, a small charity working to improve animal welfare through its member organisations. Demand for sponsorship and exhibition space is always high, so we recommend securing your place early. To discuss the opportunities available or reserve your place, please email conference@adch.org.uk.

We look forward to welcoming you to the 2027 ADCH Annual Conference and working with you to make it another hugely successful event

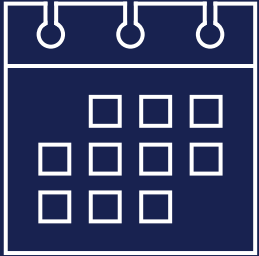

Warm regards,

Caroline Johnson

REASONS TO GET INVOLVED

01.

Reach more than 500 animal welfare practitioners, all eager to take information and practical solutions back to their organisations, amplifying your impact.

02.

Target both operational and leadership roles, ensuring your message reaches staff and volunteers at all levels, including key decision-makers.

03.

We have a broad range of opportunities available to suit your goals, offering the right level of brand exposure and valuable networking opportunities.

We've been going for 40 years, but still need to get our name and brand out there. The audience at the event, with key decision makers present, was absolutely right for us.

It was very well organised and structured, and felt professional yet relaxed. We met lots of very interesting people - not just delegates but other sponsors and exhibitors too.

It was a great opportunity to mingle, network and chat, and the event was a good size without being overwhelming. Great package all round.
